

THE ULTIMATE CUTTING TOOL

THE ULTIMATE CUTTING STATION

THE ULTIMATE CUTTING EXPERIENCE

NEW AS SEEN ON TV!

Dynamic, Award Winning, Innovative

Stout Tool brings you the most revolutionary tool to hit the industry since the cordless drill.

STOUT TOOL CORP... WORK SMARTER, NOT HARDER

Our innovative power tools allow you to work faster, safer and easier.

Eliminate the frustration and crippling effects of inferior cutting tools.

What will you cut?

"Working on the top of a scissor lift all day, the X-Band has made my job much easier. It is compact and versatile, and enables me to do a large amount of cutting from the lift. But, best of all, at the end of the day, I have more strength and less pain in my hands from using this tool."

THE ULTIMATE CUTTING EXPERIENCE

STX-250™ X-Band® Saw

Specifications:

- Net weight: 9 lbs.
- Size: 15" L x 9-5/16" W
- Cutting capacity: 2 1/2"
- Power: 18V NiCd battery

Features and benefits:

- World's only one-hand cordless band saw
- Compact, lightweight design reduces muscle strain (CTS)
- Complete projects faster, safer, easier
- Powerful, versatile—cuts virtually anything
- Portability means taking the saw to the materials, not the other way around
- Quiet, comfortable to use
- No doors required

Over 5,000 companies have switched to the X-Band® saw

"The cutting station makes cutting projects fun and easy. I can build anything I want, anywhere I want."

Chuck Dewey, Hobbyist, Retiree

"The X-Band is as valuable as a cordless drill. I wouldn't go to a jobsite without either."

Robert Brophy, Nylund Electric

ST-CS250™ Cutting Station
